Building Efficient
Recall of Times Tables

name: _____

Congratulations on making the excellent decision to invest time into improve the speed in which you recall your times tables!!

This booklet is designed for students who already know their times tables, but wish to improve the speed in which they can recall them. If you don't yet know your times tables it is best to complete the Times Table Training Booklet found at <https://mathsquad.org/TTT> first.

How to use this booklet:

To make the most of this booklet it is recommended that you complete 3 to 5 sheets each week.

Each sheet will require you to:

1. Start a timer
2. Complete the 90 times tables questions
3. Stop the timer
4. Record your time
5. Correct your answers (if self-marking refer to the solutions booklet)
6. Record your score
7. Document your time and score in the documentation sheet below and celebrate your improvements!
